# WELCOME

Hello and Thank you for attending LA Mart and LA Mart Design Center!

Change, upgrades and new resources are the buzz words for the LA Mart this season. As your largest Gift + Home resource in the Western United States, we proudly offer some of the most cutting edge artist-driven product lines found anywhere. Further, many of those lines are only available here in Los Angeles, exclusively at LA Mart.

2015 was a banner year for us with over 80,000 square feet of new or expanded showroom space all ready to bring to you the most interesting and varied selection of Gift + Home products on the marketplace today. As LA is the second most populous city in the nation, our showrooms are naturally positioned to both work with and represent some of the most exciting new artisans and tastemakers assembling product offerings anywhere. That, along with our vast selection of the major lines that you've come to expect from LA Mart, create an unparalleled shopping experience.

In addition, we are elated to remind shoppers that Holiday is back in a big way here at the LA Mart. With the inclusion of new showrooms and lines like Katherine's Collection, One Hundred 80 Degrees, Melrose International, Joy To The World, Vickerman Trees, Bethany Lowe, Seasons Direct, Zizi, and Glitterville all joining us, our current, illustrious lines and showrooms shine even more. Our beautiful brands and product lines include Kurt Adler, Mr. Christmas, Sullivan's, FEM Sales, C & F Enterprises, Michele Design Works, and many more.

If home furnishings, accessories, and fine furniture are what you are seeking, our **LA Mart Design Center** is at your service. Shop floors 1, 10, 12 and rugs on 9 to find a plethora of beautiful home merchandise for all of your design needs. In summer 2015, PALECEK expanded and remodeled their showroom to create a stunning world-class product showplace and at the end of 2015, Bassman-Blaine also expanded their showroom. With the addition of The Philips Collection, they have re-imagined their showroom into a visual feast of amazing products and displays. Finally, we are elated to welcome back Haptor Barrett with over 10,000 square feet of gorgeous showroom space that will fully unfold over the first quarter of 2016. All of that, in addition to new showrooms, Leclétique, Floorplan, Rug Design Center, and Madera Home, makes buying at LAMDC an exhilarating experience that caters to every design style possible.

As we continue to be an integral part of the incredible renaissance of Downtown Los Angeles, we are proud to confirm our commitment to the wholesale buying community: we are a resource that is here to stay, one that is growing, and a source that welcomes you with the most comprehensive first-rate collection of gift, home, fashion, decorative accessories, and furniture found anywhere in the West.

Enjoy shopping at the LA Mart!

## Showroom Talk

The LA Mart is great, and more and more buyers are using the LA Mart on a regular basis.

I'm seeing more buyers from other parts of the country and not just regional customers. The LA Mart also provides for a new store owner to visually see product in a beautiful aesthetic and get ideas on how to best merchandise in their own stores."

Lynn Mitchell, Lynn Mitchell Group, Suite 856

**"Choosing the LA Mart to expand the exposure of LONI M DESIGNS collection of upholstered furnishing was a no-brainer.**

Being part of an environment that is capable of transforming to accommodate the evolving downtown community and offering designers broader choices is energizing. The LA Mart has become creative in merging furniture design, art, and current trends all in one building."

Sheila G, Loni M Designs, Suite 1269

**"We like the personal attention we get from the LA Mart,**

as everyone is very easy and nice to work with. We have a lot of local customers who like to come to shop and love the fact we are open 5 days a week. Our marketplace has a good vibe and presence as soon as anyone walks in the door."

Cathy Campbell, Gifts of Nature, Inc., Suite 348

**"Joanne & Company continues to thrive at the LA Mart.**

Our showroom is open 5 days a week and our customers find the building easy to shop and enjoy the variety of merchandise that they can view and order in person."

Joanne Rackow, Joanne & Company, Inc., Suite 340

**"Buyers can easily access the Mart and view lines not available at any other location.**

LA Mart provides well planned and executed shows, numerous amenities for our buyers, a genuine friendly welcome, and an invitation for food and drink along with a positive experience."

Gus Dallas, Gus Dallas Ltd, Suite 870

**"The LA Mart is a great resource for many different types of buyers,**

retailers, designers, event planners, fashion, specialty grocery stores, museum and book stores.

We are open every day and draw on a population of 10 million people in LA County alone, so the opportunity to meet and work with all types of buyers continues."
